Announcement 1005

Application of Modality Codes Reimbursable to Provider Types 20, 24 and 77

Effective on claims with dates of service on or after January 1, 2015, CPT codes 97012, 97014, 97016, 97018, 97024, 97026 and 97028 for application of a modality to one or more areas are reimbursable to provider types 20, 24 and 77. No prior authorization is required.

Effective with claims processed on or after November 23, 2015, claims submitted by PTs 20, 24 and 77 for the above codes will no longer deny. Claims by these provider types with dates of service on or after January 1, 2015, that processed before November 23, 2015, for these codes that have denied will be automatically reprocessed. The results of the reprocessed claims will be reflected on a future remittance advice.

Effective on claims with dates of service on or after December 1, 2015, CPT code 97022 is not reimbursable to provider types 27 and 72.
