Providers Invited to Complete Health Information Exchange Small Business Impact Questionnaire by April 22, 2016

The Nevada Department of Health and Human Services has posted a proposed Health Information Exchange regulation and a Small Business Impact Questionnaire at <http://dhhs.nv.gov/Programs/HIT/>. Affected businesses employing fewer than 150 employees are encouraged to complete the questionnaire by April 22, 2016. After opening the Health Information Technology (HIT) webpage, click on the "Small Business Impact Questionnaire" link to download a copy. Page 1 of the questionnaire provides submission instructions.
