Update for Provider Type 85: Telehealth Services Claims Will No Longer Deny

Update to [Web Announcement 1078](#): The Centers for Medicare & Medicaid Services (CMS) has approved HCPCS code Q3014 (Telehealth originating site facility fee) to be billed by Applied Behavior Analysis (ABA) provider type 85 (specialties 000, 310, 311, 312 and 314). The Medicaid Management Information System (MMIS) has been updated. Effective with claims dates of service on or after March 30, 2016, PT 85 claims for Q3014 will no longer deny with edit code 0148 (Rendering provider not certified to perform procedure).

Claims for code Q3014 submitted by PT 85 with dates of service on or after January 1, 2016, through March 30, 2016, that denied with edit code 0148 will be automatically reprocessed. Providers will be notified in a future web announcement when the claims will be reprocessed.
