Announcement 1141

## **Attention Nursing Facility and ICF/IID Provider Types 19 and 68: Tracking Process Is Changing on July 1, 2016**

The Nursing Facility and Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) tracking process will be changing as of July 1, 2016. Starting on July 1, 2016, providers will need to submit the tracking form to Hewlett Packard Enterprise via the Long Term Care (LTC)/PASRR system. Tracking forms will not be accepted by the Division of Health Care Financing and Policy (DHCFP) as of July 1, 2016.

Provider training sessions are being scheduled in June and July to assist providers in learning the new process. In the near future, it will be mandatory to use the PASRR system to submit the form. For this reason, please be sure to attend the training. Please visit the [2016 Nevada Medicaid Provider Training Registration website](#) to register for one of the following training opportunities:
