

June 1, 2017 (Updated June 22, 2017)
Announcement 1386

Attention All Providers:

**Nevada Medicaid Provider Web Portal (PWP) Upgrade
to Implement on June 26, 2017**

Hewlett Packard Enterprise, in partnership with the Division of Health Care Financing and Policy (DHCFP), is currently working on upgrading the Nevada Medicaid Provider Web Portal (PWP) from version 4.0 to version 5.0. The upgrade will be implemented on June 26, 2017.

Nevada Medicaid Provider Web Portal upgrades will include:

- increased role-based security features
- simplified, one-page Create Prior Authorization process
- ability to upload and submit Prior Authorization Reconsiderations

Once the upgrade is implemented, **Dental/Orthodontia, Adult Day Health Care (ADHC) and Personal Care Services (PCS)** providers will be able to generate a prior authorization request via the Provider Web Portal.

The upgrade will also provide PCS providers with the ability to upload and submit requests for Update Visit (annual), Significant Change in Condition, Temporary Service Authorization, Cancel Authorization, One-Time Service, Information Only, Self-Directed Skilled Services and Transfers.

For assistance in preparing for the implementation of the Provider Web Portal upgrade and using the Provider Web Portal, please review the [PCS, Prior Authorization and Web Portal Upgrade Frequently Asked Questions](#).
