Web Announcement 1467

## **Clinical Claim Editor Updated with NCCI Quarter 3 2017 Files**

The clinical claim editor in the Medicaid Management Information System (MMIS) has been updated with the Centers for Medicare & Medicaid Services (CMS) National Correct Coding Initiative (NCCI) Quarter 3 2017 files, which were effective July 1, 2017. Any claims with dates of service on or after July 1, 2017, and processed before November 6, 2017, that were not processed using the updated NCCI files will be automatically reprocessed. A future web announcement will notify providers when the affected claims are reprocessed. Reminder: When the claims are reprocessed using the updated NCCI files, they will continue through the claims processing system and will be subject to subsequent validations.
