Web Announcement 1504

**Attention Provider Type 22 (Dentist):**

**Dental Claims Denying with Edit Code 0736**

Some dental claims submitted by provider type 22 (Dentist) may be denying in error with edit code 0736 (Invalid surface code/procedure). Providers do not need to resubmit or appeal the denied claims. The claims that are denying in error will be automatically reprocessed and will be appropriately adjudicated. Future web announcements will provide updated information regarding the resolution of the issue and when any impacted claims will be automatically reprocessed.
