Web Announcement 1521

Behavioral Health Provider Types 14 and 82 Invited to Take DHCFP Provider Training Survey

The Division of Health Care Financing and Policy (DHCFP) Behavioral Health Unit would like to encourage provider types 14 (Behavioral Health Outpatient Treatment) and 82 (Behavioral Health Rehabilitative Treatment) to complete a short online survey. The DHCFP would like provider feedback regarding the following: past DHCFP trainings, monthly Behavioral Health Technical Assistance WebEx trainings, online portal trainings presented by the Nevada Medicaid fiscal agent (DXC Technology) and any training that providers may be interested to take in the future.

Please share this information with servicing providers who may not customarily see these web announcements.

The survey is open now and will close at midnight Pacific Time on February 21, 2018. The DHCFP appreciates providers' time and comments. Please access the survey by using the following link: <https://www.surveymonkey.com/r/behavioralhealthproviders>. The link to the survey is also available from the [DHCFP Behavioral Health Services webpage](#) under "Provider Training Survey" on the right side of the page.
