

January 27, 2020 (Updated January 31, 2020)

Web Announcement 2086

## Attention Provider Type 60 (School Based): Rates Updated

Effective with claims with dates of service on or after January 1, 2020, rates for some procedure codes billed by provider type 60 (School Based) have been updated in the Medicaid Management Information System (MMIS) to align with PT 20 (Physician, M.D., Osteopath, D.O.) rates. The procedure codes (and applicable procedure modifiers) in the table below are impacted by this update.

Claims will not be reprocessed as no claims were impacted. Please submit all claims following timely filing guidelines.

|                      |                      |                      |                      |                      |                      |
