Web Announcement 2307

Attention Provider Types 45 (End Stage Renal Disease (ESRD) Facility) and 81 (Hospital Based ESRD Provider):

Claims for Pharmaceuticals that Overpaid Will Be Reprocessed

Claims for pharmaceuticals submitted by provider types 45 (End Stage Renal Disease (ESRD) Facility) and 81 (Hospital Based ESRD Provider) may have overpaid due to drugs being reimbursed separately that were also included in the Prospective Payment System (PPS) rate. Any covered outpatient drugs included in the PPS rate that were paid to PT 45 and PT 81 in error will be automatically reprocessed to recoup the funds.

The impacted claims had dates of service on or after November 6, 2015, through September 27, 2019. A future web announcement will notify providers when the claims are reprocessed.
