COVID-19 UNWIND: New COVID-19 Unwind Resources Available

Providers and partners are requested to reach out to Nevada Medicaid recipients/members with messages regarding the importance of updating their addresses. New suggested social media messages are now added to flyers, emails and other resources posted on the [Member Outreach web page](#). It is suggested that the social media messages be combined with images, links to flyers, and be posted in a regular rotation until the end of the Public Health Emergency is announced.

Providers are encouraged to adjust the messaging to appeal to their specific members. For assistance or questions regarding this messaging, please contact Nevada Medicaid Public Information Officer, Ky Plaskon. Contact information is available on the Member Outreach page.

For additional COVID-19 information, please see the Division of Health Care Financing and Policy (DHCFP) COVID-19 webpage at: <https://dhcftp.nv.gov/covid19/>.

As a reminder, anyone can sign up to receive emails directly from Nevada Medicaid about a variety of topics. ListSerts are available for members and providers [here](#).
