**Children's Health Insurance Program (CHIP) Claims Reprocessed**

Claims submitted by provider type 47 (Indian Health Services (IHS) and Tribal Clinics) for Children's Health Insurance Program (CHIP) recipients have been reprocessed automatically to assign the claims payment to the correct Medicaid internal financial reporting category. This reprocessing effort is not expected to alter the payment amount. The impacted claims had dates of service on or after September 23, 2022, through October 7, 2022. Remittance advices dated March 31, 2023, will report the results of the reprocessed claims.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
