Physician-Administered Drug (PAD) Claims With Host Eligibility Error Have Been Reprocessed

Physician-Administered Drug (PAD) claims that experienced a host eligibility error have been reprocessed automatically. The impacted claims had dates of service on or after July 1, 2020, through September 8, 2023, and received Explanation of Benefits (EOB) code 8815 M6 - Host Eligibility Error.

Results of the reprocessed claims appear on remittance advices dated October 27, 2023, and/or November 10, 2023, and/or November 24, 2023. When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
