Nevada Medicaid Web Announcement 3230

Applied Behavior Analysis (ABA) Authorization Reconsideration Timeline Update

The timeline for Reconsideration of an authorization with an adverse determination has been updated for provider type 85 (Applied Behavior Analysis, ABA). ABA providers may request Reconsideration of an authorization at any point within the date range requested on the prior authorization (PA).

The [PT 85 ABA Billing Guide](#) and the [Billing Manual for Nevada Medicaid and Nevada Check Up](#) have been updated with the above information.
