Nevada Medicaid Web Announcement 3234

Attention Pre-Admission Screening Resident Review (PASRR) Portal Users: System Upgrades Will Help Providers Monitor Status of Tickets

Nevada Medicaid is implementing upgrades to the Pre-Admission Screening Resident Review (PASRR) portal. Effective December 19, 2023, providers will be able to check the status of issues, incidents and complaints in real time.

Users will be able to login and check the status of their tickets. A notification will be sent to the user each time the ticket status is updated.

Available ticket statuses are:

- New
- Completed
- Canceled
- Assigned
- Requires Additional Information

A provider may upload additional documentation while the ticket is in “New” or “Requires Additional Information” status.

Additionally, a new field allowing free-form text has been added. This new field allows the user to enter specific details related to the ticket upon submission. The following screenshot shows where the new field can be found:

The screenshot displays the Nevada Department of Health and Human Services portal. The header includes the department name and a 'Log Out' link. A navigation bar contains links for 'Welcome', 'Screening', 'Applicant Lookup', 'Admin', and 'Notifications'. Below this, a secondary bar has 'My Profile', 'Log Ticket', and 'Ticket List'. The main content area shows a breadcrumb trail 'Welcome > Log Ticket' and a form titled 'Issue Incidents Complaints and Data Correction Form'. The form is divided into two steps: 'Step 1. Verify Your Contact Information*' and 'Step 2. Enter your Ticket*'. Step 1 includes fields for 'Login Name' (bdavitt), 'Registered Name' (Davis), 'Email Address', 'Address', 'City/State/Zipcode', and 'Telephone Number' (999-999-9999). A note below Step 1 states: '*You can make changes to your profile by selecting My Profile from the menu above.' Step 2 includes fields for 'Date' (November 13, 2023), 'Time' (11:06 AM PST), and 'Reason To Submit' (Issue). A note below Step 2 states: '* Please enter specific details about the issue, incident, complaint or data correction (Limit to characters)'. A text input field below Step 2 contains the text 'This is a Test'.
