Nevada Medicaid Web Announcement 3297

Indian Health Program Rates Adjusted for Calendar Year 2024

Rates have been adjusted for Indian Health Program providers effective on claims with dates of service on or after January 1, 2024. Claims for procedure codes T1015, 99381, 99382, 99383, 99384, 99385, 99391, 99392, 99393, 99394 and 99395, and revenue codes 0100 and 0510 with dates of service on or after January 1, 2024, submitted by the provider types listed below began paying at the new rates beginning with claims processed on or after March 4, 2024.

Any claims for the procedure and revenue codes listed above submitted by Indian Health Program providers with dates of service on or after January 1, 2024, that processed on or after January 1, 2024, through March 5, 2024, and paid the previous rate may be reprocessed automatically at a later date. The results of any reprocessed claims will appear on a future remittance advice.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to Medicaid Services Manual Chapter 100 and the Billing Manual for information concerning the claim appeal process and time frames.

The rate update impacts the following provider types:

Provider Type	Provider Type Description and Applicable Codes
47	Indian Health Services (IHS) and Tribal Clinics Procedure Codes T1015, 99381 through 99385, 99391 through 99395
