Announcement 665

Attention All Providers Requesting Nursing Facility Level of Care Assessments: Level of Care Screening Tool Now Available in the PASRR System

The Nursing Facility Level of Care (LOC) screening tool is now available in the Nevada Medicaid PASRR system. To access the PASRR system, go to www.medicaid.nv.gov and log in under the EVS tab; click on the PASRR link; and enter your User ID and Password. If you were unable to attend the LOC Screening Tool virtual training and/or need assistance, please call (800) 525-2395. For providers' reference, the presentation that was used in the LOC Screening Tool training sessions will be posted on the [Provider Training](#) webpage under "Workshop Materials."

If you fax your LOC request, please be sure you are using the updated LOC form(s) that are currently online. The new Level of Care Assessment for Nursing Facilities form (FA-19) and Screening Request for Pediatric Specialty Care Services form (FA-22) are posted on the Nevada Medicaid website at www.medicaid.nv.gov. To locate the forms, click on the "Providers" tab then select the link for "[Forms](#)."
