Outpatient Hospital Claims Adjusted for Edit Code 0055 Denials:

An adjustment has been completed on Outpatient Hospital claims denied for Edit Code 0055 (The Type of Bill is Missing or Invalid) when providers billed for End Stage Renal Disease (ESRD) services.

The Medicaid Management Information System (MMIS) now accepts Bill Types 721, 725, 727 and 728 submitted on Claim Types 01, 02, 03 and 10.

The Remittance Advice (RA) dated 12/09/05 reports the results of the adjustment on claims with dates of service 01/01/04 to current claims. No action is required on the part of providers.
