Announcement 901

## **Attention Inpatient Provider Types 11 and 75: Cesarean Section and Vaginal Delivery Procedures Cannot Be Billed on the Same Claim**

Effective with claims with dates of service on or after February 16, 2015, hospital claims for Cesarean section procedure codes and vaginal delivery procedure codes on the same claim that were being cutback inappropriately will now deny with edit code 0643 (Cannot combine vaginal with C-section procedures). Cesarean section and vaginal delivery procedures cannot be billed on the same claim.
