Announcement 954

Attention Provider Types 38, 48 and 58: Change in Home and Community Based Services Program Acronyms

The acronyms used for the Waiver for Persons with Physical Disabilities, WIN, and the Waiver for the Frail Elderly, CHIP, are being discontinued immediately. The new acronyms for these programs are "PD" for the Waiver for Persons with Physical Disabilities and "FE" for the Waiver for the Frail Elderly.

Due to this change, all WIN providers will now be referred to as providers for the Waiver for Persons with Physical Disabilities (PD). All CHIP providers will now be referred to as providers for the Waiver for the Frail Elderly (FE).

Also please note the acronym for the Waiver for Individuals with Intellectual Disabilities and Related Conditions is now "ID."
